- Ages 8+
- 2 - 4 players
- Setup:
 - In addition to the board and cards, this game requires a game marker for each player and one 6-sided die.
 - Each player chooses a game piece and places it on Player Start.
 - Roll to see who goes first.
- On Your Turn:
 - At the beginning of each turn, roll the dice and move that number of spaces. Make sure to go the direction that the black arrows indicate.
 - If you land on a circle:
 - Have the player to your right draw a card of the same color. For example, when you land on the yellow Portland Observatory space, the player to your right will draw a yellow History card.
 - The player to your right will read the question on the card and give you four possible answers.
 - If you choose the correct answer, you may keep the card until the end of the game. If you do not answer correctly, discard the card.
- How to Win: Be the first player to collect five correctly-answered cards.
