

## United States Maps Exploration (*Indigenous Peoples Locations*)

Name: \_\_\_\_\_

**Part One:** Look at ONE map made **before 1820**, ONE map made **between 1820-1840**, and ONE map made **after 1840**. List the names of Native American tribes or nations that you recognize:

## Before 1820

## Between 1820-1840

## After 1840

**Do you notice any movement of some tribes or nations? Which ones? Where did they move?**

---

---

**Part Two:** Throughout the history of the United States, Indigenous Peoples were frequently forced to relocate when their land and resources were stolen by settlers or colonists. In some cases they were forcibly marched to reservations hundreds of miles away.

Find the location of these groups on early maps to compare with later maps. Note the date of the maps.
