- | | |
|--|--|
| <input type="checkbox"/> Bears | <input type="checkbox"/> Sea creature resembling goose/heron |
| <input type="checkbox"/> Beavers | <input type="checkbox"/> Armadillo |
| <input type="checkbox"/> Wildcat (with human face) | <input type="checkbox"/> Toucan |
| <input type="checkbox"/> Monkey | <input type="checkbox"/> Snakes |

Group Activity: In a group, **choose one map** to look at closely. Year of map: _____

Look for clues to figure out some things that the mapmaker believed about the region depicted and/or the people who lived there. List what you find here:

We think the mapmaker believed this:	This is what we found on the map that makes us think the mapmaker believed this:
<i>Example: This mapmaker believed that the Indigenous peoples in South America were violent and dangerous</i>	<i>Example: The map shows the inhabitants of Brazil practicing cannibalism.</i>

What observation(s) or question(s) do you have? _____
